**\*\*\*\*After Final Round Trophies presented to 1st-4th place winners**

Competition rounds start promptly at the designated times. Teams 5 minutes late for a designated round will be disqualified, unless a previous round caused the delay.

The first 6 rounds will follow the "Round Robin" format where all teams in a given room will compete against all other teams in that room. Eight teams will advance, based on win/loss record or point score to the afternoon double elimination competition. Double elimination simply means a team cannot be eliminated from the competition until it has lost twice.
